

# PB Mastery Assessment Overview

## Half Term

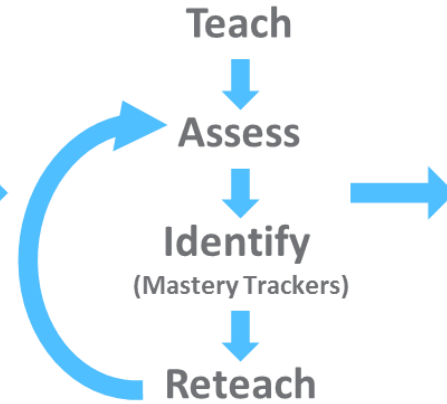

**End of Half Term: Intervention & Tracking Report**

The purpose of these reports are to identify underperformance on a whole school and departmental level and initiate strategies to overcome underperformance. Staff predict if students are on track to achieve their MG based on classwork, formative and summative assessments.

## Full Term

**End of Full Term: Attainment Report**

The purpose of these reports are to clearly define the working at grade of students. Staff use assessment information from exam week, and formative assessment to provide a MG for students.

**Student Academic Reports**  
Student academic reports will be posted home once per term.

**Underperformance Intervention**

**Reteach and Expand Week**  
The first week of term is a collapsed week where students who need additional support and intervention, in order to achieve MGs, will be supported. Students who have achieved their MGs will be pushed to expand beyond their MGs

**MASTERY CELEBRATION DAY**

**Progress - Team - Respect**
